

# Through Dust You Formed Our Mortal Flesh

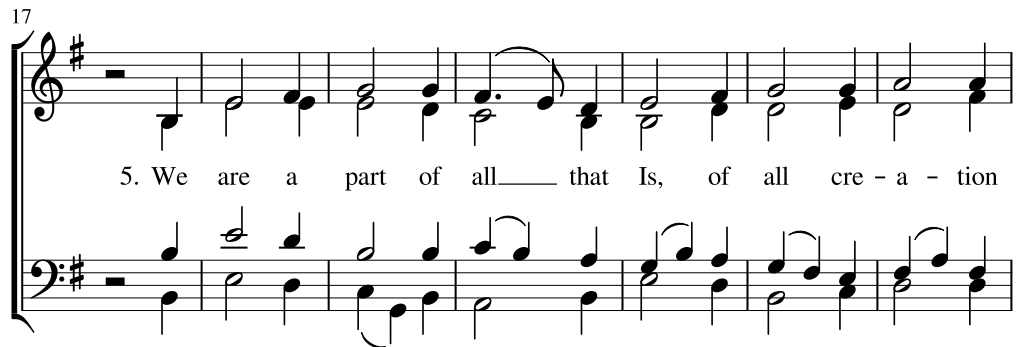

1. Through dust You formed our mor - tal flesh; it is Your Source of  
 2. You moved through ce - les - tial winds and bore the stars a -  
 3. And from that spark all of life through e - ons came to  
 4. Then through the a - ges came the Earth and all that thrives there -  
 6. Let all of Earth sing the song while stars a - bove us

all! The Earth's ter - rain and realms of space cre - a - ted  
 bove those cos - mic mas - ses bur - ning bright, sparked by Your  
 be the pla - nets and the di - stant suns, black holes and  
 in. From all that grows to all that breathes, all bear that  
 burn re - mem - ber - ing that we are dust; to dust we

by Your call.  
 Word of love.  
 ga - la - xies.  
 dust with - in.  
 shall re - turn.

5. We are a part of all that Is, of all cre - a - tion

vast: the stars with - in our souls with - out, to - ge - ther at the last.
